

The Crucial Importance of Trust and Sex

This class offers a safe place to discuss the **REAL LIFE** issues that many married couples face regarding **TRUST** and **SEX**. Gain a better understanding of your partner and learn ways to ignite new passion in your marriage.

Some of the things you will learn in this class:

- How to create and sustain trust in your relationship?
- How a distorted trust picture affects us
- Why **SEX** is so important
- Hindrances to sex desire and good sex
- How to navigate different sexual drives and much more . . .
