

# LOVE THINKS

**DATE  
TO  
MATE**

This class is for **SINGLES of All ages**, we highly recommend this class. In this class you will discover the keys to picking a life-long partner by learning how to balance strong emotions (the heart) with pertinent knowledge (the head) about your partner through the Relationship Attachment Model and this excellent training.

## **Some of the things you will learn in this class:**

- How **DO** you fall in love without losing your head?
- What should I look for when choosing a life-partner?
- What are the warning signs of a **JERK?**
- Use the Relationship Attachment Model to weigh the 5 bonding dynamics of your relationship.
- Learn how listening to your conscience will give you pertinent information
