PREPARE/ENRICH?

PREPARE/ENRICH is a customized couple assessment completed by a certified facilitator that identifies a couple's strength and growth areas. It is one of the most widely used programs for premarital counseling and premarital education. It is also used for marriage counseling, marriage enrichment, and dating couples considering engagement. Based on a couple's assessment results, a trained facilitator provides feedback sessions in which the facilitator helps the couple discuss and understand their results as they are taught proven relationship skills.
