

Hello Mrs. Tilton,

My husband and I just attended your annual Marriage Works Conference, and we thoroughly enjoyed ourselves. The information that was presented by Pastor Roland Coon and Pastor Jody Wood was so enlightening and thought provoking.

We had the opportunity to speak with you briefly during one of our breaks and expressed our desires to be added or subscribed to your mailchimp correspondences for future notices. My husband works directly with Dr. Kevin Daniels along with Nikki and Rodderick Davis, and we would like to be added to your partnerships on behalf of Saint Martin Church of Christ.

We are excited to prepare for next years conference, and cannot wait for that upcoming date.

Thank you for your continued sacrifice in the Ministry of Marriage.

Sincerely,

Ty Juan and Candace Rice
