Well of Hope is a nonprofit connecting people and organizations by channeling support and resources to existing and developing opportunities, bringing hope in tangible ways to Harford County, the Mid-Atlantic Region, the United States and around the world.

Well of Hope board members, contributors and supported organizations desire to see the sources of community decay challenged, remediate and reversed so that every citizen is ennobled, envisioned and empowered to bring in a culture of hope. Well of Hope is working to strengthen ministry partnerships by serving as a missions arm of [Harford Community Church](#).
